

Bryanston Organic & Natural Market Textile Forum

The purpose of the Textile Forum is to create:

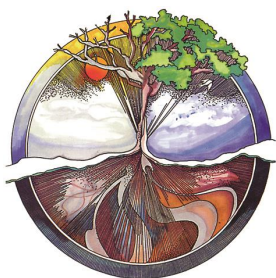

- **Shared Vision:** All textile stallholders share the vision of achieving the use of organic fabrics/materials, grown and manufactured organically in SA, with CMT processes supporting skills development, job creation and fair trade
- **Participation:** All members participate freely and equally in building the profile of the textile products in our market
- **Transparency and Openness:** All members act with openness and transparency to their customers, fellow stallholders and market management
- **Trust and Integrity:** All members act with integrity that is worthy of trust
- **Shared Knowledge:** All members share their knowledge and expertise to the benefit of all in the market and the textile industry in particular

Members of the Textile Forum who have taken the Textile Forum Pledge display a Certificate of Endorsement in their stalls

Bryanston Organic & Natural Market Textile Forum Pledge

We strive to:

- ✦ Use sustainable raw materials
- ✦ Establish the origin of the raw materials used and methods of growing, harvesting and manufacturing
- ✦ Understand the textile life cycle - creation to disposal and its effects on the soil, plants, animals, humans and the planet
- ✦ Source from reputable suppliers
- ✦ Support small local businesses who create jobs, transfer skills and practise social upliftment
- ✦ Be open and transparent with our customers
- ✦ Choose the best possible alternative at all times
